

**MICROLEARNING FOCUSED ON
PRACTICE AND APPLICATION**
Course # C3002W

Instructor:
Diane Elkins

FRIDAY MARCH 22, 2019

WEBCOURSE RUNS FOR 1 SESSION FROM NOON—1 PM

course description

One of the biggest voices in microlearning takes the stage to demystify the trend once and for all! Many learners want shorter nuggets of content. It can be challenging, however, for instructional designers to fit everything they need to do into five to seven minute chunks. Examine a case study and walk through a simple flowchart to help you create your own microlessons.

how to enroll

Enrollment must be received at least one week prior to the start date of the class. Enroll online at our website, CFTEA.org or with the enrollment form on this flyer.

how class works

Attend this webcourse from any location with a telephone, computer or iPad. The best part? It's all live!
